Blanket Local & Day Excursion Permission Form 2017:

There are often occasions during the school year when teachers are required to take children away from the school to participate in a variety of local excursions. These include participation in sporting events, concerts and day excursions. This includes excursions to Melbourne and surrounding suburbs ie: Werribee. Full details of each activity will be provided in the weekly newsletter or a note from the co-ordinating teachers/s. Please sign the following permission notice allowing your child to attend these types of activities throughout the 2017 year (this will eliminate the need to collect a separate signed form for each activity). Any activity requiring special precautions or overnight stays will still require a separate permission form.

Student Photograph and Work Publication Consent Form 2017

There are often occasions during the school year when we celebrate student achievement and school activities through the media and the public domain. This may include school the newsletter, school noticeboards, local newspapers, the school website and the school Facebook page. The school will be careful and thoughtful in our use of anything related to students. Please complete and return this form to indicate your permission to allow your child/children to have their photograph, comments and work shown publicly.

Please return this form to the office ASAP and don't hesitate to contact me with any questions.
 Sincerely,

Shane Ezard
 Principal
