From The Principal's Desk

It has been another short week this week with the Geelong Cup holiday. We hope that everyone enjoyed this day at home and managed to have some quality family time and well earned rest. Students continue to be engaged in quality learning opportunities within the classroom and a number of extra curricular activities have supported the learning this week.

HERNE HILL AGRICULTURAL SHOW

Well Done and congratulations to all students who participated in the Herne Hill Agricultural Show last Friday. The diversity and standard of entries across all categories was fantastic and demonstrated the individual talents and creativity of all students. The judges has a very difficult task of choosing individual placements.

GRADE 2 SLEEPOVER

On Tuesday night, our grade 2 students had their sleepover at school. The students had a fantastic night with lots of fun, games, food and movies. Well done to all the students on their behaviour and participation on the evening and to all the grade 1/2 staff who supported the students on this night.

VISITING THE SCHOOL AND SIGNING OUT

Can all parents please ensure they are accessing the school via the administration office during the day. It is important that we know who is accessing the school site both for emergency management procedures and for the safety of all children.

Please also be reminded for the same reasons, that no students are permitted to leave the school grounds without being signed out of the office by a parent or age appropriate guardian first.

2018 PREP TRANSITION

We are offering a three part transition program for our 2019 prep students. There will be three transition mornings for our new prep students commencing on **Thursday 1st of November**. We look forward to welcoming our new students to Herne Hill Primary School.

SWIMMING

Just a reminder to families to return their swimming notes. P-4 swimming will be conducted between the **26th and 30th of November** at Water world in Norlane. The program will be conducted over one week and will consist of 5 one hour sessions for each P-4 grade.

SCHOOL FEES

Thanks to all families who have already settled their 2018 financial contributions. As we move towards the end of the year, any payment of outstanding fees is appreciated ASAP. Please see Karen in the office if you have any questions.
2019 Planning

PLANNING FOR 2019 IS NOW UNDERWAY.

If you currently have a child/ren attending Herne Hill in grades Prep-5 who will not be attending here 2019 please advise the office ASAP.

GEELONG SHOW

Congratulations to those students that had their work displayed at the Geelong Show. Herne Hill Primary's display was outstanding with lots of beautiful art works and sculptures on show. Well Done and thanks to Mrs Ryan for her time in preparing and displaying all the art work at the Geelong Show.

Student News

Welcome back from the Geelong Cup day -off everyone, hopefully you all had the chance to rest.

There are a few exciting events coming up including the Grade 3-6 House Ball Sports and the Interschool Ball Sports. All year levels have been training hard - let's see if we can get first place!

All of the entries into the Agricultural Show were astonishing! I would also like to congratulate all of the lucky individuals who earned a certificate - you deserved it! I was especially amazed the stop motion video which was submitted by the Chamley family. It was stunning!

Congratulations to Max Daniels for progressing past the Western Metropolitan Regional Athletics and getting into the State Athletics. He did so well on that day. The State Athletics will be held next Monday. Best of luck Max, from the entire Herne Hill Community!

Be sure to drink lots of water as the warmer weather is set to get hotter and hotter. Walk to School October continues and I am amazed at our shared efforts. We have so many ticks on the posters in the gallery.

Be sure to have a fantastic week!

School Captain,
Boris K
